Dear Parents/Guardians,

East Greenbush Pop Warner has created a website especially designed for the East Greenbush Pop Warner families namely www.egpopwarner.com. Said website will contain pages that will keep everyone informed of the latest Football and Cheer activities. This website contains pages for our organization to list schedules/accomplishments/information/highlights throughout the year. We are a non-profit community organization trying to run the best league we can.

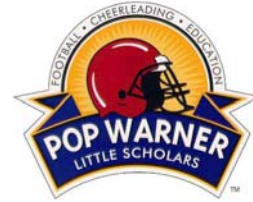

The purpose of this website is to assist in promoting any activity for the benefit of East Greenbush Pop Warner. At the website, we would like to make it as fun & interactive as possible. There is a great opportunity to spruce up these pages with relevant pictures. Proud coaches & parents will be able to see pictures/videos of their children in action.

All of this is to enhance the publicity of our organization, and to highlight your children's achievements. Before any pictures can be posted, your permission to use pictures of your child on this website must be realized with your written consent.

If you could please sign the waiver and check the appropriate space provided the posting of pictures/videos on the web site can begin. If you would prefer that pictures of your child not be posted, simply check and sign the appropriate section. If you have any questions or concerns please contact the East Greenbush Pop Warner Board.

Sincerely,
East Greenbush Pop Warner Board of Directors
